Psychologically Safe Virtual Meetings

The Centre for Faculty Development (CFD) is committed to creating a safe(r), brave, welcoming, and inclusive environment for all. The fulfillment of our Centre's mission depends upon an environment of acceptance and mutual respect. As a result, we ask that if you are unable to attend the virtual meeting in a private space, please use a headset. If you do not have access to a headset, please inform the group that there are other people in your space, who may not be visible on camera. This will help to promote psychological safety.
